*A pre media production company*

# About Us

Integrated media solutions or IMS as we call it started in 2016 with an intention to provide the best customer experience using innovative tools and methods combined with our overall 45 years of experience.

Our services include: silo/shadow, masking, color correction, retouch, background knockout, mannequin removal, swatch match and many more.

A man with short brown hair, wearing a dark blue pinstripe suit jacket over a light blue button-down shirt, is sitting on the side of a red sports car. He is leaning back with his right hand on his head and his left hand resting on his knee. The car has a black roof and a black door. The background is a blurred stone wall.
